#### Services Provided

The District, a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court on May 27, 2008, by the City of Aurora, Colorado and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District was organized in conjunction with other related districts, the Gardens on Havana Metropolitan District No. 1 (District No. 1) and the Gardens on Havana Metropolitan District No. 2 (District No. 2). Under the respective Service Plans, District No. 1 is to be the Operating District and District Nos. 2 and 3 are to be the Financing Districts. The District operates under a Service Plan approved by the City of Aurora on May 28, 2008. The District's service area is located in Arapahoe County, Colorado entirely within the City of Aurora.

On May 6, 2008, a majority of the qualified electors of the District authorized the issuance of indebtedness in an amount not to exceed \$450,000,000. Pursuant to the Service Plan, the District cannot issue debt in excess of \$75,000,000. Additionally, the District's electors authorized the District to collect and spend or retain in a reserve all currently levied taxes and fees of the District without regard to any limitations under Article X, Section 20 of the Colorado Constitution.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District, the Developer and the Aurora Urban Renewal Authority (AURA) have entered into an agreement in which AURA will remit TIF Revenues (Pledged Property Tax Revenues, Pledged Sales Tax Revenues and Pledged Use Tax Revenues) to the District to be used for the payment of principal and interest on the bonds issued by the District for the construction of public improvements.

#### **Public Improvement Fees (PIF)**

The District collects a public improvement fee (PIF) from existing retailers within Districts in the amount of one-half percent on the purchase price of each transaction involving the sale of goods or services.

#### **Revenues (Continued)**

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Pursuant to the Service Plan, the District is required to adjust its maximum Required Mill Levy for changes in the ratio of actual to assessed value of property within the District. As of December 31, 2024, the adjusted maximum mill levy for debt service is 41.419 mills. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable.

For property tax collection year 2025, SB22-238, SB23B-001, SB24-233 and HB24B-1001 set the assessment rates and actual values as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single- Family				Single-Family Residential	\$55,000

#### **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 6.00% of the property taxes collected.

#### **Expenditures**

#### **County Treasurer's Fees**

County Treasurer's fees have been computed at 1.50% of property tax collections.

#### **Intergovernmental Expenditures**

Pursuant to the Capital Pledge Agreement entered with District No. 1 and District No. 2, the mill levy imposed upon all taxable property of the Districts shall be of an amount which, when combined with other revenues of District No. 1, be sufficient to pay the annual costs of District No. 1's old loan. The agreement was amended and restated with the issuance of the District's 2017 Bonds. District No. 2 anticipates transferring all tax revenue to the District. The District will transfer \$77,273 to District No. 1 for operations during 2025.

#### **Debt and Leases**

On April 7, 2017, District No. 3 issued the 2017A Bonds and the 2017B Bonds in the respective amounts of \$23,895,000 and \$3,404,000. Proceeds from the sale of the Bonds were used for the purposes of: (a) paying the costs of refunding the Refunded Notes; (b) funding repayment of advances from the Developer; and (c) paying other costs in connection with the issuance of the 2017A Bonds and refunding the Refunded Notes (including accrued unpaid interest on such Refunded Notes).

The 2017A Bonds bear interest at rates ranging from 3.625% to 5.25%, payable semi-annually on June 1 and December 1, beginning on June 1, 2017. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2017. The 2017A Bonds mature on December 1, 2047.

The 2017A Bonds are further secured by amounts accumulated in the Surplus Fund. Senior Pledged Revenue that is not needed to pay debt service on the 2017A Bonds in any year will be deposited to and held in the Surplus Fund, up to the applicable Maximum Surplus Amount. Initially and until December 2, 2024, the Maximum Surplus Amount will be \$2,389,500. The Maximum Surplus Amount reduces to \$1,000,000 on December 2, 2024, and to \$500,000 on December 2, 2034.

The 2017B Bonds bear interest at 7.75% payable annually on December 15, beginning on December 15, 2017, but only to the extent of available Subordinate Pledged Revenue. The 2017B Bonds are structured as cash flow bonds, meaning that there are no scheduled payments of principal or interest. Unpaid interest on the 2017B Bonds compounds annually on each December 15. In the event any amounts due and owing on the 2017B Bonds remain outstanding on December 15, 2057, such amounts shall be extinguished and no longer be due and outstanding.
